PROGRAMS

On November 23, 2013, Dan Meers came within inches of losing his life while practicing a bungee jump and zip line stunt at Arrowhead Stadium... home of the Kansas City Chiefs. What Dan anticipated being the thrill of a lifetime ended up being the spill of a lifetime. The stunt went terribly wrong and Dan plummeted 75 feet before crashing into the stadium seats. Miraculously Dan survived. He spent 9 days in the hospital and got some really big scars. Dan smiles when he says, "Scars are just Tattoos that come with a Cool Story". Dan is the author of the book "Wolves Can't Fly" and during his powerful presentation Dan shares his incredible story and the important lessons that he has learned about leadership and about life.
