

# TECHNICAL NEEDS for DAN MEERS

## MICROPHONE

- **Preference #1** : Cordless handheld with Pole Stand
- **Preference #2** : lav mic
- **Not preferred:** headset mic

## STAGE

- Dan prefers to be on a stage but if there is no stage please provide a platform that measures at least 8' deep by 12' wide.
- Dan will need a lectern, podium or a simple choir stand where he can set his speaking notes.
- A bottled water onstage would be greatly appreciated.

## AUDIO/VISUAL

- Dan will need a projector, big screen and the ability to hook into a sound system. He has a PowerPoint presentation on his computer that he uses to show a video and several slides during his program. Dan has his presentations on a thumb drive but he prefers to use his own computer whenever possible.

## PRODUCT

- **Product Table:** If you received approval for Dan to sell his book *Wolves Can't Fly* after the presentation, please provide a table for this in an appropriate location.
- If someone is available to assist Dan with book sales it would be greatly appreciated.
